# We are Rampit USA

Founded in 1992, Rampit USA is a family owned and operated business specializing in the design, manufacturing, and installation of modular, handicap accessible ramps.

Built on a commitment to quality, integrity, and exceptional customer service, Rampit USA is proud to offer one of the best and most complete lines of handicap accessible ramps in the industry. Our professional team of accessibility experts is dedicated to meeting customer needs quickly and conveniently.

With commercial, residential, and portable solutions, Rampit USA ramps are available in a variety of shapes and sizes and can be custom-tailored for any job. They're easy to use, low-maintenance and designed to withstand a lifetime of continuous use.

**All Rampit USA ramps and components are made in the United States and are proudly used to serve America's Veterans across the country.**

# The Rampit USA Difference

As a family owned and operated business, we understand that our customers are essential to our success, and that's why we share a commitment to providing the highest quality products, and to doing so with exceptional customer service.

## **A standard of quality**

Rampit USA products are designed and tested to deliver a level of quality, safety and durability that far surpasses the industry standard. Built with rust free, non-corrosive aluminum components and non-slip surfaces, our ramps provide a lifetime of safe, frequent use.

## **Fast to serve**

We know that time is important, and that's why we pride ourselves on our ability to quickly and accurately turnaround orders in a timely manner. Some orders will ship as quickly as the same day, but most non-commercial orders will always ship within three business days.

Our ramps don't only ship fast, but they're also designed for quick and easy on-site installation, infinitely adjustable, and can be reconfigured in minutes.

## **Infinitely customizable**

Rampit USA ramps and components come in a large variety of shapes and sizes, but every one of our products can also be customized at no additional cost to the customer.

## **Lifetime warranty**

We're so confident in the quality and durability of our products, we're happy to offer a lifetime manufacturer's warranty that covers any manufacturing defects for the life of the ramp. If for any reason our ramp doesn't last, we'll fix or replace it at no additional cost.

# Dealer Benefits

All Rampit USA dealers get a standard discount of 55% off retail pricing. With our tiered discount structure, dealers can earn up to 65% off retail pricing with increased sales volume throughout the year.

See the chart below for our discount tiers:

Tiers	Annual sales	Discount
<b>Platinum</b>	\$75,000	65%
<b>Gold</b>	\$50,000	62.5%
<b>Silver</b>	\$25,000	60%
<b>Bronze</b>	\$5,000	57.5%
<b>Standard</b>	\$0	55%

**Please note:** By providing evidence of the previous year’s sales, new dealers can also qualify for any of the pricing tiers upon becoming a Rampit USA dealer.

## Free shipping

Rampit USA has several shipping options designed to save our dealers money, including free shipping on most large orders.

## Purchasing options and program guidance

Rampit USA offers a 90 day purchasing plan on large inventory orders to help build dealer’s inventory. We’re also more than happy to offer program guidance or marketing materials to help you excel.

# Independence Series

## Residential Ramps

The Independence Series by Rampit USA is an all-aluminum, modular ramp system designed for residential applications. These lightweight, durable ramps are easy to install, infinitely customizable, and can effortlessly be moved or reconfigured as needs change. The aluminum components provide a low-maintenance, rust-free and non-corrosive solution, designed to withstand a lifetime of continuous use.

**All Independence Series ramps are designed and built to meet and exceed all ADA and state building codes, includes all necessary stamping for load requirements, and comes with our industry-leading lifetime manufacturer's warranty.**

# United Series

## Commercial Ramps

The United Series by Rampit USA is our commercial series of all-aluminum, modular ramps, designed for accessing non-residential, commercial applications. Built with the same quality and modular capabilities as the Independence series, the all-aluminum United Series provides increased safety and load capacities for businesses, schools, churches, and modular buildings.

**All United Series ramps are designed and built to meet and exceed all BOCA, IBC, ADA, and state building codes and include all necessary stamping for load requirements. United Series ramps also come with our industry-leading lifetime manufacturer's warranty.**

# Empower Series

## Portable Ramps and thresholds

The Rampit USA Empower Series offers a simple, effective solution for quickly and easily providing freedom and access to life's everyday tasks. All Empower Series ramps are portable, or semi-portable, and require very little or no installation at all.

**All Empower Series ramps come with our industry-leading lifetime manufacturer's warranty.**

# WAR Series

## Wood/Aluminum Ramps

The Rampit USA WAR Series offers the same quality and modular design as the Independence series, but with an aluminum frame and treated, dimensional lumber. Designed to create a different look and feel than traditional aluminum ramps, WAR series ramps come with a non-slip surface and the option of wood or aluminum handrails.

**All WAR Series ramps are designed and built to meet and exceed all ADA, and state building codes, and comes with one year manufacturer's warranty.**

## Handrails, steps and gates

Not only do we build the best ramps in the business, but at Rampit USA we can also custom design any size handrails, steps and/or gates with just a few measurements.

**All customizations are included at no additional cost.**
